

Christmas Cocktails

- Duration:** 30 to 90 minutes
- Guest Numbers:** 10 - 300
- Requirements:** Dependant upon guest numbers

Every Christmas Party needs its own unique cocktails, this is the ultimate bartending challenge, combining artistic flair and taste to create a truly memorable event. Either during pre-dinner drinks or as the perfect end to your conference, your guests will receive an introduction to the art of cocktail making at our fully equipped mobile cocktail bar.

Our bar tender will dazzle your guests with their skills and famous bottle throwing known as 'Flair'. This is the fastest, most efficient way to make drinks and involves multi-bottle pours; inverted catches and grabs; stylish, martial-art like movements; and even behind the back throws and catches.

After the demonstration, our professional cocktail bartender will then teach your guests the fundamental art of mixing, pouring, accurate measuring and ultimately the serving of the cocktails in the Flair Master Class.

Finally, they will instruct your guests on movement at the bar and challenge each of them to show off their new skills to create their own dramatic Christmas Cocktail.
