communication through events

## Event Overview

Take flight from the rain and dark winter nights in our tropical paradise where Christmas in the Caribbean promises an evening of culture and carnival fun. From relaxing rhythms to energetic entertainment, interactive activities to infectious music, the night captures the unmistakable sights, sounds and spirit of exotic Caribbean shores.

## Setting the Scene

Your effect will be created using a combination of table theming, painted scenery, theatrical props and lighting.

Each dining table will be dressed with:

- Green silk velvet tablecloths
- Purple silk velvet chair covers
- Green silk velvet tiebacks
- Magnificent tropical table centrepiece
- Flower garlands for each guest
- Grass skirts (available at an additional cost)

A selection of the following props, lighting and scenery will be placed throughout the room dependant upon available space:

- Palm trees
- Tropical flower trees
- Wooden barrels
- Beach bar
- Caribbean silhouette panels
- Beach & boat scene backdrop
- Flame effect lighting columns
- Room up-lighters and moving light effects
- Beach bar
- Props and scenery lighting

## Entertainment Options
