Event Overview

Be transported to a wintry world where magical memories of childhood delights are relived in grand style. Your guests will relax in the timeless beauty of an icy grotto filled with magical and marvellous creatures! Accompanied by the mystical sounds of bell ringing and joyous carol singing, the very essence of a Winter Wonderland is captured for your guests to enjoy.

Setting the Scene

Your effect will be created using a combination of table theming, painted scenery, theatrical props and lighting.

Each dining table will be dressed with:

- Your venue's white linen tablecloths
- White linen chair covers
- Silver sash chair tiebacks
- Magnificent white lit glass vase centrepieces with mirrored bases, frosted twigs and ice cubes

A selection of the following props, lighting and scenery will be placed throughout the room dependant upon available space:

- Twinkling faux silver trees
- Blue lit white Christmas trees
- Wintry silhouette cutouts washed with coloured lighting
- Large 3D Christmas presents
- Inflatable Snowman Family
- Giant Silver Stars and bases
- Flame effect lighting columns
- Room up-lighters and moving lighting effects
- Winter Themed Bar
