

Blast Alley

Duration:	30 to 240 minutes
Guest Numbers:	Unlimited
Requirements:	Dependent on guests numbers

For the ultimate in realistic target shooting, go for your gun and choose Blast Alley, it's our very latest laser arcade shoot 'em up game featuring real time action and authentic sound.

Each team based or individual guest session offers a variety of safe, exciting and realistic target action using replica handguns and rifles, viewed on a giant 8' x 6' screen.

Big game hunting, marksmanship, speed skills and novelty targets add to the fun and can be scored on increasing levels of speed and difficulty.

Scores are automatically registered and with the use of professional laser equipment, no projectile ammunition is required.

Even so, this interactive event has a very real feel and is as close to live action as it's possible to get. Great as a standalone event or as part of a Gala Evening, it will draw out the competitive in everyone.
