A fast paced combination of crazy questions and cheeky challenges creates the perfect atmosphere for this over the top giant board game. General knowledge, skill and dedication give way to luck, timing and inter team shenanigans in this high-energy event.

Winners can become losers and losers can win it all back on the spin of a wheel or position on the board. It's cunning it's conniving but above all it's frustratingly wicked as teams rally together in the bid for success.

Compered by our Glittering Host and Glamorous Assistants the show boasts hand held keypads, full size wheel of fortune and a giant game board.

The live video feed and giant display unit give guests the chance to see themselves compete on the big screen, making this a highly interactive quiz with a difference.

Battling against one another, teams attempt to be the first to travel around the giant game board by correctly answering general knowledge questions and competing in fun bonus rounds.

With all the glitz and glamour of a true game show Boardroom Blitz will provide your guests with an evening of fun and frivolity they will never forget.
