Want a race night with a difference? Then look no further. This professionally presented evening featuring greyhound, pony trap and even piglet races comes complete with a themed set, framed screen and broadcast quality races on DVD!

All the fun of the races and a sure fire winner your guests gamble away their fun money in an attempt to 'clean up' after the race!

At the end of your dinner, our Clerk of the Course explains the format of the evening and our friendly Tote staff provide your guests with Fun Money to be used for "betting". For full attention to detail, the fun money can be personalised to contain your company logo or conference message. After a brief introduction, the Tote opens for the first race and your guests are invited to "place their bets". After the first race is shown in colour on a giant screen, winnings are paid and betting then opens for the next race.

The objective is to accumulate as much money as possible in an attempt to be the most successful 'punter'. The winner will receive a bottle of champagne as a memento of the evening and a reward for their success.
