

Mega Quiz

Duration:	60 to 150 minutes
Guest Numbers:	10 - 300
Requirements:	Dependent upon guest numbers

No need for pens and paper or swapping answer sheets with the opposition! In conjunction with our new multi-media Mega Quiz, our state of the art hand-held keypads keep the scoring simple and the squabbling to a minimum! Each Mega Quiz handset is completely wireless and automatically transmits your answers directly to the main scoreboard.

Easy to use, they're fast, fun and very professional – just the thing to help you raise your game and turn you into trivia champions!

Incorporating music, observation, video clips and the truly bizarre, all rounds appear on a giant custom made screen in a contest designed to tax both your memory banks and your wit. Your Quiz Master and Scorer will ensure that teams work together to hit the high scores and claim the Mega Quiz Championship title.

“It's definitely the quiz with a difference: interactive, reactive and overactive!” You get laughter, music and mayhem...” Team scores will be automatically collated by our computer and revealed by your Quiz Master at the end of the evening, with a Winners Medal awarded to each member of the Winning Team. Bringing teams together for an interactive evening of fun this truly is an event to remember.
