

Fakin' It

Duration:	90 to 180 minutes
Guest Numbers:	10 - 300
Requirements:	Dependant upon guest numbers

Plucked from their natural working environment, each team has to master a new 'youth culture' skill including skateboarding, graffiti art and hip-hop dancing. This indoor team building event will show if they can pass as 'street-wise' or if they would be spotted as a faker a mile off.

We'll take you on a trip to 'fakeville' and teach you how to move, skate, tag and scratch like a pro! Now's your chance to re-connect with the 'youth of today' in this 'Faking It' event.

Divided into teams, your guests will participate in a range of activities led by our experienced staff. Each is carefully designed to safely teach each team of 'youth wannabees' a youth culture skill.

The teams must compete to earn as many points as possible on each activity, in the hopes of emerging victorious as the Faking It Winners. During the event, our film crew will document the teams' transformations from Flip Flop to Hot Hip Hop, providing a lasting memento for the team after the event.
