| Guest Numbers: | 10 - 300 |
| Requirements: | Space for a 20ft T-shaped catwalk with PA system and lighting plus a work station for each team |
| Learning Outcomes: | <ul style="list-style-type: none">✓ Time Management✓ Delegation✓ Creative Thinking✓ Communication✓ Use of Resources |

In the fantasy world of West End fashion, you are encouraged to push your technical, creative and innovative skills in an event filled with a diversity of ideas and plenty of fun!

As a selection of top London Fashion Houses, you will be briefed to design and produce your own catwalk show for next year's collection, creating a minimum of three fashion designs.

Each house must work together to create a concept for the show and plan and deliver the finished product. Those with creative technical ability within each team will use digital cameras, laptops, projectors, screens, music and lighting to produce the atmosphere and drama for the show, whilst the designers, makers and models in the team handle the clothing and choreography. All the necessary elements must be co-ordinated seamlessly:

- Concept development
- Show photography and background art
- Music selection and choreography
- Lighting and sequence
- Budget control and procurement
- Garment design & manufacture
- Modelling

Grandé Designs is a truly inclusive team exercise requiring a diverse range of skills and individuals in order to produce a polished show worthy of the catwalk!
