

Insights Discovery Profiling

Duration: Flexible

Guest Numbers: Individuals and Groups

Possible learning outcomes:

- Personal confidence and awareness
- Communication skills
- Teamwork
- Leadership skills
- Sales skills

How can you build confidence in your people and teams? Imagine if you could find an engaging and practical way to help individuals develop themselves; even transform the way you do business?

Insights Learning and Development has is designed a powerful tool to do just this! The Insights Discovery Profile paints an incredible picture of how we think, act, and work, and is highly relevant to all personal and team development.

Every profile is unique and includes personalised information about:

- Personal style and decision making
- Strengths and possible weaknesses
- 'How to communicate with me...'
- Advice for getting better with your opposite!

Based on the 4 Insights colour energies, the profiles are highly accurate and designed to be positive about people's qualities. The feedback and results that the profiles get is consistently excellent.

"The Insights language has swept throughout our organisation because it is fun to learn, inspirational to experience, easy to remember, effective and practical in application."

Katrina Dunkley, Head of Leadership and People Development, BT Wholesale.
