About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Christmas Lip Sync Battle

Your guests will take on the well-known Christmas classic ‘Feed the World’ as our team arranges your group into colour coded sections to learn their specific lines. Lyrics and the original tracks are provided on laptop for each section to enable them to practice and hone their performances! Then it’s to the onsite ‘studio’...

Work together to produce a performance of a lifetime!

Absolutely no singing ability is required as the studio films without sound – your amazing ability to act whilst miming the words without laughing (too much) is all that’s required! This high energy, unique challenge can be used to record a company Christmas song or provide a great centrepiece activity to a festive away day!

KDM will also provide a prop box for the performers to use to help them to get in the groove and feel like a rock singer or musician.

How it works...

In our filming studio each section mimes (or sings!) their specific lines in front of the green screen, which is filmed and then themed digital backgrounds are edited in to match the song lyrics. Giant festive props are included if required to make the final video all the more compelling, before your marvellous Lip Sync song is shown to the entire audience on our giant screen!

• The event can either be collaborative with everyone working on one song, or competitive with teams recording different songs

• The winning team will receive not only winners medals, but also a bottle of sherry!

• Mince pies available to all guests, with Christmas songs playing throughout to add to the atmosphere...

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
