About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Christmas Picasso Team Building Event

Designed to sit comfortably within your conference environment, Christmas Picasso provides an excellent teamwork and communication forum for your entire group. Drawing on the delegates' conceptual and spatial talents, small groups work collaboratively to recreate a picture from limited information and resources.

Create a masterpiece!

Collectively each small group/team will work together to recreate a Christmas work of art – or bespoke design to your specification. Each team is given a miniaturised section of the artwork comprised of a number of individual tiles. Using only the equipment provided and within a fixed timeframe they will scale up and produce their contribution to the finished full-size artwork.

How It Works...

At the finale, all guests gather together to assemble the sections of individual tiles within a framework to complete the picture – quite often with hilarious results!

This high-quality event emphasises the need for clear and accurate communication, encouraging people to work together knowing their individual talents have played an important part in creating the 'Christmas Picasso'.

- Mince pies available to all guests
- Christmas songs playing throughout to add to the atmosphere
- Festive jumpers and hats are an optional extra!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
