About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Crystal Mazed Team Building Event

Inspired by the iconic show, Crystal Mazed is the ultimate event for stretching teams to the limit! You will need mental skill, physical ability and ingenuity to complete the challenges and earn your time in the Crystal Dome!

Will You Start The Fans Please!

After entering the labyrinth, teams will be faced with the task ahead.....a series of challenges in four themed zones – Aztec, Medieval, Industrial and Futuristic! From spear throwing and earthquakes to cannon balls and a lot of nuts, communication, speed but above all teamwork is essential.....no man must be left behind!

It's all about time! You are up against the clock to complete each challenge which in turn will earn you time in the all famous "Dome"! Collect the tokens to win gold!

How It Works...

Rotating around each activity zone, teams must use their individual and combined skills to collect as many time crystals as possible. Dependent on your guest numbers, teams take part in 8 to 12 challenges, with intriguing names such as Chemical Imbalance to Xocolatl Pot. Each of the unique themed tasks has been designed to encourage all participants to get involved, there is truly something for everyone!

Success in each challenge leads to the famous frenzied finale! Teams trade all their precious crystals for time in our giant inflatable for a show-stopping finale! Together the team members must grab gold tokens out of the air whilst the timer counts down...the team with the most are the Crystal Mazed victors!

- Whether a fan of the show or not, this is a fun and exciting activity for all.
- A great activity for testing all areas of teamwork.
- We have an indoor and outdoor version of the event.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
