About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

The Hungry Games Team Building Event

Based loosely on the blockbuster trilogy The Hungry Games is a team-based activity where delegates will showcase both their mental skill and physical ability as teams compete for victory.

Let the Hungry Games Begin

In order to survive the Hungry Games Arena each district must learn essential weaponry skills and survival techniques. They will be presented with challenges such as Axe Throwing, Combat Archery and Shelter building. Each skill must be mastered should they wish to leave as Victors.

Working through the stations, mentors will be on hand to put the tributes through their paces. Reminding them that forming an alliance and working together is the only way to gain an advantage against your opponents.

Does your team have what it takes to outwit the Capitol Game Makers? May the odds be ever in your favor

How It Works...

Each of the districts will rotate around the challenge. Teams will need to put on a unified front and pull together to triumph at the games. Whilst demonstrating their newly learnt skills our Hungry Games mentors will score each team. Scores will be collated at the end of the Games and the Victors will be named!

- Summon your inner Mockingjay in our specially laid out Combat Archery Arena
- Master creating a sustainable fire that ‘the girl on fire’ would be proud of.
- Fully prepare the tributes and extend your experience by adding our bread making challenge

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
