About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Come straight to the end provider

Guests should be encouraged to follow their heart

As they step into the woodland and let their magical and romantic Midsummer Night's Dream unfold. Within the depths of Oberon and Titania's enchanted forest, an array of entertainment can all be folded into this wonderful summery theme!

Setting the scene...

You can simply add a touch of the enchanted forest to your evening with green and white rustic table dressing to bring the outside in, or you could opt to add coloured room lighting, ceiling and wall draping and magical props to create an immersive woodland setting for your dinner. Add giant toadstools, overbearing trees and woodland seating to the mix and the scene is well and truly set.

A Midsummer Night's Dream is a perfect dinner setting, whether you want to take advantage of the summer sun with a relaxed BBQ or create a magical atmosphere for a Grand Winter Ball.

Additional Entertainment Options

Magical meet and greet characters can await to welcome your guests, whilst an enchanting bubble wizard will add to the exciting and mysterious atmosphere.

A unique Silhouettist can create silhouettes of your guests as they enter the forest floor to the sound of a single harpist from the balcony above.

Further entertainment options include:

• String Quartet – Bring alive the romantic spirit with an authentic string quartet.

• Silhouette Cutter – Your exact likeness is reproduced in a matter of seconds using nothing more than paper and scissors.

• Enchanted champagne/drinks skirts – The performers are interactive and beautifully costumed and the Champagne Skirts create an unusual, opening visual for arriving guests

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
