About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Race 2 Success Team Building Event

Race to Success' is designed to encourage teams to work together whilst thinking through a project.

Work Together to win The Race!

Firstly, teams must decide on a concept for their product which will encompass style, design flair, innovation, creativity, and 'driving' skill – each team player will find an area in which to excel. From an initial briefing, teams will be required to build their own go-kart using the kit provided to them. No instructions are included so inter team communication is key to successfully completing this part of the challenge and of course our experienced event crew will be on hand to help teams along the way.

How It Works...

Once built, teams will then race against the clock to strip and rebuild their go-karts in the hope to win points as the fastest pit crew. With the Pit Stop challenge element complete the teams then use their creative skills to transform their kart using the materials provided into a work of art, adding their own personal touch and design prowess to the go-kart.

- Teamwork and communication
- Creativity and design flair
- Race against your colleagues

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
