About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Zero Hour Team Building Event

This fast moving, high energy competition has teams racing against the clock to earn the most points before the counter reaches zero!

Who Will Win When The Clock Reaches Zero!

With a range of different activities all happening simultaneously, the energy and atmosphere will be through the roof...so keep one eye on the clock and the other on your competition!

This fast and furious event has each team going all out to complete as many challenges as possible within the time allotted, but there's twist! Each challenge is worth a different amount of points, so do you fire though the simple tasks or take your time with the more complicated?

Each member of the Team has a different skill set and a crucial part to play in getting you to the top of the leader board!

How It Works...

Teams choose from a portfolio of 45 challenges, lasting from 1-10 minutes each and can be individual or team based. These range from simple puzzles and quizzes to complex physical challenges and games, so something for everyone!

Your success on each activity must be verified by our Event Manager before the next can be started, so don't rush off to choose your next challenge before you earn your points. More haste, less speed has never been more important!

- A great fast paced activity that isn't affected by the weather!

- Get to know your colleagues more by finding out their hidden talents through the array of tasks.

- A fun event that allows you to meet a range of objectives from communication and team work to time management and creative thinking.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
