**CHRISTMAS
THEMED**

Bringing teams together for an interactive evening of Christmassy fun this is an event to remember!

All your multi-media quiz rounds appear on a giant custom-made screen and in conjunction with our state of the art tablets keep scoring simple and squabbling to a minimum! Each tablet uses our uniquely designed event APP to transmit your answers directly to the main scoreboard. Easy to use, they're fast, fun and very professional – just the thing to help you raise your game and turn you into trivia champions! Our flexible app also allows us to personalise your event to include your logo on all the tablet screens and include bespoke company questions – a truly personal, bespoke experience.

4 rounds incorporate all things Christmas including a Trivia round, Christmas Movies, Price is Right (Christmas presents & stocking fillers!) and Yuletide Food & Drink. Interspersed between the themed rounds we allow for those who may have Christmas fatigue by including general rounds of observation, history, geography and a good old-fashioned pen and paper round.

Your Quiz Master and Scorer will ensure that teams compete to hit the high scores and claim the Mega Quiz Championship title! Scores are automatically collated by our computer and then revealed by your Quiz Master at the end of the evening, with a Winners Medal awarded to each member of the winning team.

“Last night’s quiz was a great success. The whole team had a wonderful evening and we laughed till we cried!” ISS UK
