Inspired by the iconic show, Crystal Mazed is a challenging event requiring mental skill, physical ability and dexterity as teams compete to earn as many crystals as possible to trade for time in the frantic finale in our Crystal Dome!

Using the information and equipment provided teams are required to complete a series of activities in four themed zones namely Aztec, Medieval, Industrial and Futuristic. A series of themed challenges are available in each zone, designed to test your teams' ability to nominate the best individual to triumph at the task at hand.

Rotating around each activity zone in turn, teams must use their skills wisely and pull to their strengths in order to rack up the Crystal rocks in their bid for success. With intriguing titles ranging from Chemical Imbalance to Xocolatl Pot each of the unique themed challenges have a Mental, Physical or Skill slant, meaning that Crystal Mazed has something challenging for everyone.

Success in each of the tasks facing your teams will result in the famous finale – where each member of the leading teams shall enter the Crystal Dome, facing the final challenge to collect as many gold tickets as possible and defeat the maze!
