About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Bigger Picture Team Building Event

Designed to sit comfortably within your conference environment, delegates will work in small groups to recreate a picture from limited information and resources.

Create a masterpiece!

Collectively each small team will work together to recreate a work of art.

We can tailor your artwork to meet your brand, meeting objectives and any key messages that you would like to reinforce through the activity.

The pictures take the form of portrait-orientated boards each containing 48 tiles grouped together in sections.

This high-quality event emphasises the need for clear and accurate communication, encouraging people to work together knowing that their individual talents have played an important part in creating ‘The Bigger Picture’.

How It Works...

Each team is given a small section of the artwork to work on using non-toxic, washable acrylic paint (suitable protective clothing is also provided).

At the finale, all the teams will gather together. They will assemble their sections of individual tiles within a framework to complete ‘The Bigger Picture’ – quite often with hilarious results!

• All artistic materials required to complete your project will be provided, along with protective clothing.

• There are 3 different ways that you can include your company logo and specific messages in the Bigger Picture artwork (additional charges apply).

• After completion, your framed picture will remain displayed in the conference room after which you may wish to take it back to the office to display.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
