About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Charity Team Building Activities That Create Real Impact

Our Bright Futures experience is more than just a team build – it's one of the most meaningful charity team building activities available for organisations looking to connect people with purpose while delivering measurable social impact.

Designed in partnership with SolarBuddy, this immersive experience helps bridge the digital divide by providing clean light, device charging and access to opportunity for families living in energy poverty around the world.

As the UK's exclusive partner of SolarBuddy, KDM Events delivers powerful charity team building events that go far beyond traditional CSR initiatives. Rather than feeling like an add-on, this team build creates an emotional, hands-on connection to the impact participants are making – strengthening teams while creating a legacy that lasts long after the event ends.

Why Choose Charity Team Building Events?

- Increase team engagement, communication and collaboration
- Create meaningful connection and measurable social impact
- Strengthen a purpose-driven company culture
- Deepen employee satisfaction and emotional engagement
- Deliver a memorable experience with lasting global impact

More Than a Team Building Activity

Participants are taken on an inspiring journey that places them at the heart of the experience. Working in teams of four to five, guests collaborate to assemble the Bright Future devices, an all-in-one solution for lighting, charging and hands-free use. Each solar light provides up to 50 hours of light and the power hub provides vital USB charging – transforming lives.

The Bright Futures team build contains 1 x Portable Solar Panel, 1 x Multifunction Power Hub (lighting + charging) and 2 x Rechargeable Head Torches.

Along the way, teams gain valuable insight into the realities of energy poverty and the challenges faced by communities without reliable access to electricity. Each participant also has the opportunity to write a personal message of hope, creating a powerful human connection beyond the event itself.

At the conclusion of every programme, all completed devices are donated to children, families and communities worldwide — helping provide safe light, education opportunities and essential access to power. The result is one of the most impactful charity team building activities available today: a hands-on experience that strengthens teamwork, inspires purpose and delivers tangible social change.

Personalised Impact Report

Following your event, your organisation will also receive a personalised Impact Report, showcasing the difference your team has made. For your event receive a report that shows:

- Lives reached and supported
- Additional study hours created
- CO_2 emissions avoided
- Household energy cost savings
- Access to digital connectivity

What's included in the team build?

• Delivery of unassembled kits

• Educational presentation and facilitation of the event from start to finish by our experienced event managers

• Collection of assembled devices and written letters

• Quality control of all devices that have been assembled

• International shipment of the devices

• Your personalised impact report – details the benefits your assembled devices will deliver

Charity Team Building Activities That Deliver Real Social Impact

KDM Events are proud to be the exclusive UK provider of SolarBuddy experiences. These purpose-led team builds are designed for organisations that want their teams to create meaningful, measurable change. These inspiring charity team building activities combine hands-on collaboration with powerful social impact — helping businesses strengthen employee engagement while supporting communities affected by energy poverty. Whether delivered in-person or virtually, these immersive charity team building events connect teams through shared purpose while contributing to long-term global change. Energy poverty impacts millions of families worldwide and affects every aspect of daily life:

• Children are unable to study safely after dark without reliable lighting

• Families can spend up to 40% of household income on fuel-based lighting

• Limited access to safe device charging widens the digital divide

• Fuel-based lighting contributes significantly to global CO_2 emissions

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
