About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Bush Survival Challenge Team Building Event

This activity encourages teams to learn new skills and bond as a team as they implement basic survival skills in an unusual and memorable experience!

Details and the finale

After a safety briefing and introduction by our KDM Event Manager it's on with the challenges! All tasks are demonstrated and supervised by our experienced instructors and depending on your group's ability on the day we will guide them through some or all of the 4 survival skills – at the conclusion of the event your KDM Event Manager will recap the main points of the survival skills learnt and experienced on the day, before giving the teams a survival rating for their performance!

How It Works...

The activities are challenging and fun yet will require skill, strategy and action. After a safety briefing and introduction by our KDM Event Manager it's on with the challenges!

- **Scavenger Hunt**

Learning natural techniques about scavenging, teams will hunt to collect resources along with the essential materials that will be required to survive the next rounds!

- **Shelter Building**

There are 2 different types of shelters that you can build but what materials did you collect from your scavenger hunt? Do you have the basic equipment needed to build any of these shelters or will you be left out in the cold?

- **Fire Lighting**

There are three main techniques to Fire Lighting which incorporate both original, modern and traditional methods such as friction and percussion. Which will you be successful in achieving? Light a fire to ensure you can toast those marshmallows!

- **Knife Skills**

Using a knife & folding saw you will be shown and able to practice carving skills and use them in your quest for survival! This is a fascinating skill to be introduced to and instructors will show teams the safe and correct way to enjoy whittling.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
