About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Come straight to the end provider

Cake Off team building event

We have created a delicious event which requires teams to roll up their sleeves, reach for the cookie cutters and grab their piping bags as they go head to head in this creative and fun cupcake decorating challenge.

All you need to know...

After a short introduction and demonstration featuring tips and techniques about basic cake decorating by our in house ‘chef’, teams will be given a design brief to create their own collection of cupcakes in order to become the best cake designers! All inspired by a certain Ms Berry and Mr Hollywood.

Our Cake Off event is primarily envisaged as a relaxed and enjoyable experience, to be enjoyed whilst learning a new skill.

However, the event can also be run in a more competitive format, with the teams competing to recreate the best batch of cupcakes!

The event...

Each team shall be given their own selection of ingredients and equipment such as sugar-crafting tools and steel piping nozzles, and will then be challenged with replicating and also designing their very own batch of cupcakes using the two principal decorating methods – icing and piping.

• A booklet will be provided to each team giving 12 examples of cupcake designs (of varying difficulty),

• Each team will be tasked with recreating 6 cupcakes that can be packaged & taken home to be enjoyed.

• Of course, extra points shall be awarded for those who develop the confidence to go “off piste” with their own designs!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
