About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Charity Bargain Hunt Team Building Event

Each team is issued with a tablet using the latest GPS technology to create an event which is engaging and involves the whole team – while providing a real feel good factor and powerful memories of the lasting contribution made.

With the focus of the event on charity

We will have arranged in advance with a local hospice for example, what items would make a real difference to their work. We write the event accordingly with hotspots set to send the teams to various shops once they have answered questions correctly. Teams will then be tasked with purchasing (or even negotiating) items whether it be toys, clothing or food etc. to then be presented to the charitable organisation at the conclusion of the event.

How It Works...

Armed with GPS tablets, teams navigate around pre-set hotspots, questions await with points awarded to keep a competitive edge! Popping up as teams arrive at the hotspots is the information on the charity items they need to source. To round the challenge off, bonus challenges must be completed to earn extra points.

As the event timer ticks down, teams head back to base with their items, which are pooled together and donated to a representative of the chosen charity.

We maximise the potential of your location, by relating the questions to the area, making the event as interesting as possible.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
