About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Chocolate Advent Challenge Team Building Event

The Chocolate Advent Challenge is an original, engaging, distinctive and indulgent experience guaranteed to entertain, stimulate and get your guests into the festive mood.

Creative, competitive and delicious - teams become apprentice chocolatiers!

After a short welcome to the wonderful world of chocolate, your teams are challenged with designing and making a mouthwatering box of chocolates fit for an advent calendar! We supply the expertise, ingredients, microwaves, utensils, and aprons...all you need is your imagination!

Teams can melt, mix, crumble and chop a delicious array of ingredients to create their sugary treats....so no two boxes of chocolates will be the same.

As a group of apprentice chocolatiers, your challenge is to design and create a range of delicious chocolates with a marketing approach in mind. Working in groups, you will compete to design and produce the best chocolates, packaging and marketing campaign.

How It Works...

After teasing your taste buds with a quick history of chocolate making, be assured you will enthusiastically treble your daily calorie quota by enjoying your own luxury mouth-watering advent chocolates.

Of course, this is a Christmas time product so what better way to package Christmas chocolates than to design and make a totally unique advent calendar?

- Our panel of judges will decide the winning group based on a combination of total manufacturing cost, creativity and presentation.
- The winning team will receive not only winners medals, but also a bottle of sherry!
- Mince pies available to all guests, with Christmas songs playing throughout to add to the atmosphere...

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
