About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Christmas Ice Sculpting Team Building Event

The ‘Christmas Ice Challenge’ is a great teambuilding session with the versatility to be used as either a fun break out session (quite literally an ice-breaker!!) or a fully involved event.

Each team receives specialist tuition on how to apply the design, cut out the silhouette, cut off the corners and smooth the ice amongst other tricks of the trade!

Work together to create your own masterpiece!

Providing a unique environment for guests to communicate and bond, this hands-on event involves flair and precision. After an inspirational demonstration from our resident professional, teams will have the opportunity to ‘try their hands’ at carving a masterpiece ice sculpture!

No time to waste though, within 10 minutes of the event beginning your teams will begin to draw the outlines for their sculptures and start to carve their block.

How It Works...

Using the carving kits provided, including chisels, leather gloves and goggles, each team is given their own ice block and must follow the directions given by the instructors to successfully carve their very own creation.

Guests can choose to create totally unique characters and designs for their sculptures, reproduce well known icons or even have a company message/theme to tie all the teams’ creations together.

• Our expert ice carver will judge each creation on originality and skill to determine the best ice sculpture.

• The winning team will receive not only winners medals, but also a bottle of sherry!

• Mince pies available to all guests, with Christmas songs playing throughout to add to the atmosphere...

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
