About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Circus Skills Team Building Event

This is truly an experience to remember as guests take part in team building with a difference. Circus skills workshops are great fun for all ages as everyone can take part and just have fun! These activities are suitable for both indoors and outdoors so you don't need to worry about the weather.

Get ready to discover your new act in the Circus!

Following a demonstration by professional performers and workshop leaders, your guests will break down barriers and discover new skills, in a fun, learning environment where failure is not feared.

Great new skills such as Plate spinning, Diablo and Unicycle are paired with classic Juggling and Balloon Modelling, ensuring there is a level of participation and fun for every guest. Careful you don't get the urge to run away with the circus after this fun filled team building experience!

How It Works...

Guests will be split into teams and receive specialist tuition on a selection of the following disciplines dependent on available space..

Circus acts include:

- Juggling
- Plate Spinning
- Tight Rope
- Unicycle
- Stilt Walking
- Hula Hoop
- And More!

After your guests have practiced they will decide upon their strongest skill areas for the production of their showcase for the event finale before they are ready to join the circus!

- Immerse yourself in the art and excitement of the circus
- Learn new skills and enjoy a fun learning environment
- Work together to perform in the final showcase (before running away with the circus!)

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
