About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

The Ultimate Indoor Team Building Murder Mystery Experience

Step into a world of intrigue, strategy and suspense with our Cluedo-themed murder mystery – one of our most popular indoor team building events. Your mission? To uncover who did it, where the crime took place and which weapon was used.

Working together in teams, participants channel their inner detective during this immersive indoor team building activity, piecing together clues, eliminating red herrings and tracking progress in a detective notepad. Teams analyse evidence, uncover motives and rule out suspects one by one as the mystery unfolds.

Across six interactive challenges, teams earn vital clues that bring them closer to the truth. Each team building activity is designed to test communication, problem-solving and attention to detail – all within a fun, fast-paced indoor environment. Will your team connect the dots first, or will rivals crack the case before you?

A Fun, Nostalgic Indoor Team Building Event

Our Clued Up murder mystery is a fun, nostalgic indoor team building event that encourages collaboration in a light-hearted yet competitive setting. Ideal for corporate groups, this experience sharpens critical thinking, builds trust and keeps everyone fully engaged from start to finish.

Split into teams and representing the classic characters, you'll compete head-to-head across six themed indoor team building activities, earning clues and collecting team points for the final reveal. The top-scoring team earns the first chance to solve the crime, with each group presenting their case. But who will crack the mystery – and who will be barking up the wrong tree?

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
