About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

CSI Experience Team Building Event

In a competitive yet collaborative format, the groups will tackle challenges to earn access to lab results to prove the innocence of those in the frame and continually narrow down the field of suspects to find the true culprit.

Can you crack the case!

Working to eliminate characters from a list of suspects, teams must learn and use a variety of CSI skills to find and analyse crucial evidence. Using their newly acquired knowledge of forensic science and Police procedures, teams will be assisted by our facilitators and instructors in a series of time critical tasks such as fingerprint harvesting, forensic photography and even shooting TV video appeals.

Your teams will need to adapt to solve problems against constantly changing time constraints and evolving situations, just like a real-life investigation.

How It Works...

Our facilitators will share their knowledge with nominated team members, in turn they will train their teams to use these techniques to tackle tabletop and site focused tasks which will each earn them valuable points.

All teams will come together at the end to view their TV appeals and final criminal photofits. Once the perpetrator is found...the winning team with the most points overall is crowned the CSI Experience winners!

- Each member of the winning team will be awarded with a winner's medal!

- We provide all team investigation & deduction equipment, crime scene layouts, forensic technicians, protective coveralls and masks.

- This event can be tailored to add content specific to your business needs.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
