About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Team Building Event

A photo mosaic wall is an intricate and visually striking installation made up of hundreds or even thousands of individual photographs – arranged in such a way that from a distance, they come together to form a larger, cohesive image. Each smaller photo within the mosaic serves as a tiny piece of the puzzle, contributing to the overall picture.

The effect is created by carefully selecting images that complement one another in terms of colour, shape, and detail, allowing the larger image to be recognizable when viewed from afar. When standing close to the final image, viewers see a captivating collage of personal memories, landscapes, or abstract visuals, while stepping back reveals the grand picture — whether it's a portrait of an individual employee, a company logo, or an iconic piece of artwork for example.

The result is a dynamic fusion of detail and creativity, with all guests and attendees contributing to the final image – which will be displayed digitally on the night, and can also be printed & delivered to your offices in the following days, thus offering multiple layers of engagement.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
