About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Drone Flyover Team Building Event

Get your delegates enthused and interacting with a Drone Flyover providing a memorable introduction or finale to your event – with the takeaway footage to prove it!

Everyone comes together to create the perfect picture

Pre-event, we shall agree with you on a design which could be anything from a company logo, to new branding or simply a piece of beautiful artwork – each delegate is then issued with an A2-sized piece of card, each printed with a small section of the entire artwork.

The challenge arises from guests having to arrange themselves in the perfect spot – just one or two people in the wrong position, will scupper the perfect shot!

How It Works...

With the help of our Event Manager each member of the group must find their place within a numbered grid and ensure they are holding their piece of the puzzle correctly.

On cue, as the drone hovers overhead ready to capture the moment, everyone raises their cards in unison to create ‘the bigger picture’ and all captured on camera to be taken away as a unique memento, and displayed throughout your conference.

- Time lapse footage of the whole event
- Both video and still images of the ‘Big Reveal’
- Perfect opportunity to reveal new business branding or message.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
