About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Enchanted Christmas: Magical Christmas Event Ideas for Work

Fancy a walk in the moonlight amongst enchanting snowy trees? Set within a magical forest landscape and surrounded by delightful woodland folk, this fairy tale evening delivers one of the most immersive Christmas experiences your team will ever enjoy. Step into the depths of an enchanted Christmas and discover a winter wonderland designed to captivate, inspire and delight.

This theme is endlessly adaptable, making it one of the most versatile Christmas event ideas for work. Add a subtle touch of the enchanted forest with green, silver and white rustic table dressing to bring the outside in, or go all-out with coloured room lighting, ceiling and wall draping, and magical wintry props to create a fully immersive woodland setting. Giant toadstools, towering frosted trees and cosy woodland seating complete the scene and instantly transport guests into a festive fairy tale.

Setting the scene...

An Enchanted Christmas provides the perfect dinner setting for corporate festive events. Whether you're looking for inspiring Christmas experiences for your team or a show-stopping concept for a Grand Winter Ball, this woodland wonderland promises a warm welcome, dazzling visuals and a winter's night to remember.

Additional Entertainment Options

Magical meet-and-greet characters can welcome your guests on arrival, while an enchanting bubble wizard enhances the sense of mystery and wonder. A talented silhouettist can create bespoke keepsakes as guests enter the forest floor, accompanied by the delicate sounds of a solo harpist performing from above. This flexible theme allows a wide range of entertainment to be seamlessly folded into the evening, ensuring a truly memorable Christmas celebration.

Complete your very own Enchanted Christmas theme with magical entertainment such as:

Harpist A professional harpist during pre-dinner drinks will evoke a dream-like magical ambiance.

Enchanted Champagne / Drinks Skirts – A one-of-a kind experience for all. Our drinks dress hostesses are always a dazzling crowd pleaser! The performers are interactive and beautifully costumed and the Champagne Skirts create an unusual, opening visual for arriving guests to serve them with their first drink of the evening.

Glitter Artists – There's nothing quite like having a brilliant face painter at your party and especially when your theme is Enchanted Christmas...Using a wide selection of vibrant and colourful glitter, our fully trained artists can create beautiful glitter tattoos and festival glitter art on both the face and body.

Photo Studio /Digital Graffiti Wall – Put yourself in the picture with our exclusive green screen technology-based photo studio. Up to 10 guests at a time can use this green screen technology, choose a fun background, pose and print the results! You can even combine this with our Digital Graffiti Wall and harness your inner artist by decorating your photos with digital stickers, logos and spray paint tools! Print the results and/or share via email and social media!

White or black LED starlit dancefloor – A dance floor will help transform your room whilst also providing an area for your guests to keep warm by practising their dance moves! For your Enchanted Christmas themed event we recommend a white or black LED starlit dance floor.

Ice sculpture – A glittering sculpture will create a dazzling display in your room. Carved by hand from a solid block of crystal clear ice, an ice sculpture is a fantastic way to add theming to your room.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
