About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Escape The Office Team Building Event

Escape The Office is a hugely immersive activity with plenty of opportunity to keep guests fully absorbed as they race towards escape!

Work Together to Discover the Hidden Key and Break Out from the Office!

With each team taking on an identical challenge, they must battle to be the first to pool together and decipher enough information to discover the hidden key and break out from the office.

Each stage requires a different approach as there are coded messages, visual puzzles, observation tests and a number of tasks to be attempted – meaning that the event truly relies on teamwork & communication for the team to gain success.

As you work your way through the tasks and challenges, the clock ticks and the pressure builds, but don't panic...each team can cash in a 'life' for a clue if totally stuck!

How It Works...

Each team is provided with a selection of typical desk items and a locked filing cabinet filled with seemingly random objects. By studying the assorted items, figuring out cryptic clues and puzzles they begin to edge closer to finding the ‘Office Key’ and escaping. However, we haven’t made it simple!

There are several layers of problem solving, discussion and debate, with a few red herrings thrown in for good measure. By discovering the solution to each puzzle, you will unlock another and move one step closer to the key.

• Immerse your team into an office setting with lifelike props and a full-size office door for teams to escape through.

• Anything contained within the ‘office’ could be relevant.

• The victorious team will gain access to the hidden key to unlock the door and receive their winners’ prizes!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
