About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Facilitation Event

Our expert facilitators will work with you from the start to build your event around what you need to achieve. When we have fully understood your goals, our instructors and facilitators will design your event to bring out the outcomes you are seeking.

We Will Build Your Event around What You Need to Achieve!

Our expert facilitators are there to ensure you get the very most out of your experience with us. Their skill is to create a productive group discussion, whether it is discussing what happens on the event or brainstorming for new ideas. Ultimately, they ask the question “How can this make us better at doing what we do?”

Our facilitators and instructors work together to help create those ‘Light bulb’ or ‘Eureka’ moments when people gain really new and powerful insights into their teams, themselves and how they could work more effectively.

How It Works...

On the day the facilitators will help to set up, observe group and individual interactions and create discussions. They will get people talking about the things you want them to talk about in a positive and progressive atmosphere. Often it will be one carefully chosen question that ignites the touch paper that leads to real and powerful change back at the work place.

- Create specific messages or ideas you want your people to leave with.

- Start a productive group discussion, whether it is discussing what happens on the event or brainstorming for new ideas!

- Change the way your people work together.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
