About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Festive Candle Making

Create your own beautiful festive candle in our relaxing two-hour workshop. A perfect activity for everyone, giving you a lovely gift for Christmas!

Get Creative

Make your own 180g Christmas candle, choosing your own fragrance and colours, using eco soy wax.

How It Works

Our experienced tutor will guide you through the process of how to make the most natural candles, using a variety of essential and fragrance oils such as Orange & Cinnamon, Pine etc to develop a personal scent.

There will also be the opportunity to decorate and personalise your candle with various festive materials.

The 7 steps to the process of candle making are – wax, scent, wicking, pouring, positioning, curing, trimming and finishing.

We will provide candle care tips and answer all the questions during the workshop.

There is a lot of work involved in candle making but it's a fun and therapeutic activity!

A Traditional Activity

Christmas candle making is a delightful tradition that blends creativity, craftsmanship and festive cheer. As the Christmas season approaches, crafting candles can be a cherished activity, offering a warm and personalised touch to festive decorations and gifts.

The process begins with selecting seasonal fragrances like cinnamon and pine which evoke the essence of Christmas. The act of melting wax, adding scents and pouring it into the moulds not only results in beautiful, handcrafted candles but also fills the air with the comforting aroma of the Christmas season.

These candles, once lit, create a cosy and inviting atmosphere and whether made for personal enjoyment or as thoughtful gifts, Christmas candles symbolise light, warmth and the joy of the season.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
