About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

GPS Back Cab Challenge Team Building Event

Not just a Treasure Hunt but an integrated event using tablets and GPS tracking to create an event which is engaging, has something for everybody and draws upon the individual quests' inquisitiveness, creativity and skills.

There is no time for sightseeing as you are against the clock....and your competitors!

Meeting at a suitable venue of your choice (with parking!) teams will be allocated their own private black cab & driver and with their help have to reach a number of key locations such as – Westminster & Whitehall, the Square Mile of the City, St Pauls, Soho, Southbank, Kensington Gardens & Hyde Park. At each location there will are a series of hot spots, each with its own challenge and point value.

Time is of the essence as you must gain as many points as possible before returning to your venue for the finale!

How It Works...

Our Event Manager will brief the teams, explain the equipment and introduce their very own cab drivers, who will use their local expertise to get their team to their chosen locations as quickly as possible!

Armed with GPS tablets, teams have to navigate to each hotspot where challenges await! Only when your GPS verifies that you are in exactly the right location will your team be able to activate the hotspot and attempt the challenge!

Challenges take the form of:

- Location questions
- Physical tasks
- Bonus challenges

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
