About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Horses for Courses Evening Event

With all the fun of the races, we sort the rookies from the bookies as your guests gamble their fun money in an attempt to 'clean up' in this fabulous evening of entertainment!

Work in teams or individually to be the Queen or King of the Races

Horses for Courses provides a professionally presented evening with themed set, framed screen and broadcast quality British races on DVD.

At the end of your dinner, our Clerk of the Course explains the format of the evening and our friendly Tote staff provide your guests with Fun Money to be used for "betting".

After a brief introduction, the Tote opens for the first race and your guests are invited to "place their bets".

The race is shown in colour on a giant screen and after the horses pass the post, winnings are paid and betting then opens for the next race.... let the betting commence!

How It Works...

As Clerk of the Course our KDM event manager hosts the evening, introducing each race with the horses/odds for each. The races are shown in colour on a giant screen and after the horses pass the post, winnings are paid out by our friendly tote booth staff before betting opens for the next race.

The objective is to accumulate as much money as possible without the financial pain of discovering that your selections would have been better suited to ferrying children on Blackpool sands!

The team or individual with the biggest pot of fun money at the end will emerge victorious! The winner will receive a bottle of champagne as a memento of the evening and a reward for their success.

- Competitive and Fun
- Team based or individual betting

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
