About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Ice Sculpting Team Building Event

Have you been asked to think of something unique to bring to this year's conference? This is a great team building session with the versatility to be used as either a fun break out session or a fully involved team build.

Work together to in creative your own masterpiece

Providing a unique environment for guests to communicate and bond, this hands-on event involves flair and precision. After an inspirational demonstration from our resident professional, teams will have the opportunity to 'try their hands' at carving a masterpiece ice sculpture!

An event with a difference, Ice Sculpting provides a fully bespoke experience that challenges individuals to observe and retain information – then use their acquired knowledge in a creative and productive way with instant visual results.

How It Works...

The event begins with a safety briefing and instruction on how to use the tools and safety equipment provided. After a 10 minutes demonstration the allotted teams of 2 or 3 delegates will be free to start carving themselves. The ice team build event is fast paced, fun and often provides some surprising results.

We're more than happy to tailor the ice team building event to your needs

• Within a 90 minute session perfect strangers will be laughing and joking like old friends. We know, we have seen it happen!

• One of our sculptors was a member of team GB and was crowned champion at the international Tatry competition in Slovakia.

• We can also organise professional ice sculpting demonstrations which are great for customer events or exhibitions.

• Just need a sculpture or vodka luge delivered for a special event? – we can do that too!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
