About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Come straight to the end provider

Lego Animation Team Building Event

Lego Animation is an unusual and highly creative session, stretching participants to communicate ideas in new ways whilst experiencing the benefit of a strong teamwork, planning and production exercise.

Work Together to be the next producer of a Warner Lego film!

Following an introduction to Stop Motion Animation techniques, teams will be equipped with a large supply of Lego, craft supplies and corner studios before being tasked with creating, filming and editing a Lego movie of their own.

Once creative and technical roles have been filled and concepts completed, teams will begin building sets and creating scenes.

How It Works...

Whilst each member of the team must take control of their own area it is crucial that the team works in synergy to ensure the whole production fits together effectively.

The event concludes with a big screen preview of each team's production and judging from your event manager. Medals will be awarded to the winning team based on all round creativity from concept to delivery encompassing storyboard, set design and video motion in the end product!

- Immerse your team into the world of an animated movie
- Allocate rolls to team members i.e. project director, Photography and Production etc.
- Could you win the next animated movie oscar??

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
