About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Master the Task indoors team building event

Inspired by the hugely popular TV programme, Master the Task is a high energy indoor team building experience designed to challenge, amuse and surprise. Combining creativity, strategy and a healthy dose of friendly competition, this is an event where quick thinking and teamwork are the keys to success!

Participants are divided into teams, with each group receiving a box of items to use throughout a series of wonderfully wacky challenges. But choose wisely! Once an item has been used, it's out of action, so teams will need to think strategically and make the most of the resources available to them.

Want to find out more? Book a call at a time that suits you.

Led by our experienced Task Masters, teams will face a series of quirky challenges that put their creative thinking, problem-solving and practical skills to the test. The tasks may seem simple at first, but don't be fooled! With unexpected twists, unusual rules and a few surprises along the way, even the most straightforward challenge can quickly become a test of ingenuity.

As teams rotate through the activities, they'll need to play to their strengths, work together and adapt their approach to score as many points as possible. With a mix of physical, mental and creative challenges, Master the Task offers something for everyone, giving every participant the opportunity to contribute to their team's success.

And the fun doesn't stop there! Each challenge is an opportunity to earn valuable points, with our Task Master judging performances and keeping track of the scores.

In the grand finale, teams go head-to-head on the red carpet, battling it out for a place on the winners' throne. But which team will rise to the challenge and claim the ultimate bragging rights?

Throughout this fun and engaging indoor team-building event, your group will be building, creating, experimenting and taking aim. The mystery is all part of the fun, as teams won't discover the brief for each challenge until it's time to go head-to-head. Those who can think on their feet, communicate effectively and adapt quickly will have the advantage!

Can you guess what some of the challenges involve from their titles alone?

Length · Drop · Wind · Flight · Lift · Weight · Catch · Blow · Suck · Poke · Height · Spin · Retrieve · Roll

The tasks may sound simple, but can your team work out what's required, rise to the challenge and impress the Task Master?

Master the Task is a lively, laugh-out-loud indoor team-building experience that brings colleagues together through a series of unpredictable challenges. Combining creative problem-solving, strategic thinking and friendly competition, it encourages communication, collaboration and quick decision-making, all while keeping everyone entertained.

With points to win, twists to overcome and a winners' throne up for grabs, the question is: has your team got what it takes to master the task?

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
