About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Master the Task Team Building Event

Master the Task is a mentally taxing event, utilising a series of traditional team building activities that challenge both skill and communication skills within each team.

Use your skills wisely to win points

In a fun and competitive atmosphere, each team is set a series of tasks by our Taskmasters... which will require both thought and action.

Using a combination of physical and mental challenges, with titles such as “Construction Chaos” and “Safe Break”, Master the Task has something for everyone.

This event will involve all your team in an interactive and competitive event with the victorious team being awarded their well-deserved prizes! Does your team have what it takes to Master the Task?

How it works...

Rotating around each activity in turn, teams must use their skills wisely and pull to their strengths as they rack up the points in their bid for success. Whilst on some exercises a little physical effort may be required, they will not be physically demanding and are designed to be inclusive with a broad appeal.

The event concludes with our Grand Finale as each team attempts to fire a catapult the furthest before launching their hand built rocket!

• A selection of challenging and interactive games await your guests in a race to Master the Task!

• Immerse your team with site décor to include clearly signed activity stations, safe zones and coloured teepees.

• And just when you think it’s all over...the firing finale. All teams bring their wacky, weird and wonderful missiles and launchers to the staging area for a fun finale.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
