About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Charity Team Building Events Delivering Real Impact

Onboard is a hands-on experience where your team build and donate skateboards to young people who need them most. It's creative, meaningful and packed with purpose – combining teamwork, fun and real social impact in one memorable event.

Why Choose Charity Team Building Events?

- Increase team engagement, communication and collaboration
- Create meaningful connection while delivering measurable social impact
- Strengthen a purpose-driven company culture
- Deepen employee satisfaction through emotionally engaging experiences

More Than Just Team Building Events

As teams design, build and personalise skateboards, they'll strengthen connections and boost morale. Most importantly, they'll create something that genuinely changes lives.

For the young people receiving these boards, skateboarding means more than learning tricks. It means confidence, community and opportunity. A safe and positive way to connect with others and build self-belief. One board can make all the difference.

How it works

The event kicks off with a briefing and a short presentation from the recipient charity who will explain how the boards will benefit the young people they support. (You can select your own charity if preferred). Your group will be split into teams and given 2 boards per team – 1 deck is plain and 1 has a templated design. Each team will have access to all the tools and equipment needed to design, decorate and build their boards, including paint pens, skateboard parts and instructions.

During the event, teams can take part in mini-challenges which will allow them to win extra points! These points can be exchanged for specialist art supplies like stencils and sharpies, or we can use them to crown a winning team during the event wrap up.

Finally, attention to detail and the final presentation determine the outcome and who will be crowned the champions! Onboard is a fun and creative charity/ CSR event for your team. After the event, all the boards are quality checked before being distributed to the delighted recipients!

If you are looking for a charity/ CSR event for your team Onboard is a great way to enhance team skills while making a real difference to people's lives. Get in touch with our friendly team for more information.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
