About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Indoor Team Building

Pit Stop Challenge is a one-of-a-kind experience and is the true test of teamwork. We aim to re-create all the roles and experiences of a live pit stop, so can you cope with the intense levels of pressure and performing when it matters?!

Pit Stop Challenges are completed on replica F1 cars, complete with tyres and air compressed guns to provide the most realistic experience. Teams will experience the roles of a pit crew, choosing who can handle the pressure of being a wheel mechanic, who has the reflexes to suit the lollipop role and who can take charge as the team principle.

This can be run as an informal individual or group challenge for up to 100 guests without too much waiting time. In teams of 3 – 16 people, groups will train and then attempt their first full pit stop tyre change. To enhance the Pit Stop Experience, racing simulators can also be added to the event for an additional cost.

The Pit Stop experience is taught by our experienced race instructors and includes:

- Replica F1 Car
- F1 Wheels and Pirelli Tyres
- Compressed Air or Battery Powered Guns
- Digital Timing System
- Scoreboard and Protective Equipment

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
