About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Pole Position Team Building Event

Racing ahead from the traditional Scalextric of yester year, this sophisticated, purpose built six-lane digital race circuit, with 45 feet of hairpin bends and acceleration straights uses the latest in modern technology.

ork Together to rack up the fastest laps

The track is custom built with sound effects, lighting and handheld controllers. Integrated digital scoring is shown through the race computer enabling guests to view their lap and race times on the trackside monitors.

In a race requiring skill and accuracy teams are encouraged to work together and support from the sidelines is a must to drive your team to success. Designed to look for the best individual or best team, Pole Position is a versatile event; great for short pre- dinner drinks sessions or full after dinner events.

How It Works...

Our itinerary is flexible to suit your requirements, with a chance for every guest to take part and set lap times for the team.

- Pre-event client liaison plus Event Management from two race marshals
- Fully digital 12 x 18ft six lane race track with lap timers and scoring system
- The essential champagne for the team that reaches the podium

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
