About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Charity Team Building Events - empowering change, to those in need

A unique Corporate Social Responsibility (CSR) team building experience, designed to drive positive change and create meaningful impact. In small groups, participants are tasked with constructing a prosthetic hand, from scratch, that will be fitted to an amputee in a developing country that has lost a limb.

Following a powerful presentation, participants begin the self-build prosthetic hand kits, overseen and delivered by our expert event managers.

How the Event Works

The experience begins with a compelling keynote presentation after which participants receive instructions on the self-build prosthetic hand kits. Each kit includes all the components needed to assemble one complete prosthetic hand, along with the necessary tools for construction. It also comes with a blank protective travel case for the finished hand and decorative pens for personalisation.

Step-by-step instructions with supporting videos are provided to the group and following the successful build the prosthetic hands go on to be fitted to recipients around the world, to countries including Brazil, India, Uganda, the USA and Spain.

With either a child (version 1) or adult (version 2) prosthetic available, once built and quality checked, we work alongside our distribution partner, Lightbulb, to ensure they arrive where they're needed most.

Lightbulb are a member of the International Prosthetic Hands Team Building Association. The only world association that provides governance and a strict code of practice around the FDA-approved clinical devices used in this programme. This gives confidence that every prosthetic hand built during your event is designed to maintain the highest level of quality, authenticity and accountability. From development and production, right through to recipient distribution.

To date, the programme has empowered over 89,000 individuals worldwide. Amazing work and a powerful CSR team activity!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
