About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Rags to Riches Team Building Event

Rags to Riches is the ultimate fast moving inter-team competition. The stakes are high as teams gamble to become multi-millionaires. Light hearted and great fun, each round provides the opportunity to win or lose a fortune in a frenzy of team activity.

The event follows a series of head-to-head games with teams successively competing against each other. Strategically gambling their wads of complimentary cash, the pressure is on to beat the opposition and build a bigger bankroll.

‘Rags to Riches’ is the ultimate fast-moving team competition

As the rounds draw to a close, teams face the highs and lows of wealth or ruin as they see their fortunes ebb and flow.

Passions run high as the competition builds to a nail-biting climax with shrewd gamblers looking to consolidate their winnings and desperate teams risking every cent in the hope of a last gasp jackpot.

When the final round is finished and the room hushed in expectation, teams count their cash under the watchful eye of the Master of Ceremonies. Then amid the cheers and jeers of their fellow contestants, the winners make their way to the front for the victory presentation.

The Games

Your guests will be divided into an even number of teams comprising between five and eight guests, we will select games from the following to suit the room dimensions and the group size:

Table Football – A frantic game of table-top football with a bonus for the victors and nothing for the losers. Should there be a draw at full time the winner is decided with a golden goal or your money back.

Basketball Shoot Out – A skilful game of basketball with each team member seeking to shoot as many baskets as possible in a head-to-head race against the clock!

Giant Bar Skittles – A simple but tricky game as each team member seeks to knock down as many pins as possible.

Splat the Rat – A game of fast reflexes as teams try to 'splat' the rat with a baseball bat as it emerges at full speed from the drainpipe!

Giant Shove Halfpenny – Played on a 6' x 3' board with oversized coins, a game of guile, accuracy and team strategy.

Golf Putting – Played on a 15ft green, each team member has a chance to score points and earn money for their team.

Quoits – A traditional game played on a decorative backboard with accuracy and a light touch needed to throw the hoops onto the pegs.

Speed Pool – Traditional American bar game played against the clock with team members taking alternate shots complete with time penalties.

Skittle Alley – English ninepins, from which Ten Pin Bowling developed, played on a full size 20' skittle alley.

Air Hockey – A fast and furious game with team members aiming to score by shooting the puck into their opponent's net.

Darts – A traditional game played head-to-head with teams vying to 'go round the clock' in the fastest possible time or outscore an opponent head-to-head.

Additional Upgrade Games Include:

- **Batak**
- **Giant Operation**
- **Neuron Racer**
- **Grab It**
- **Catch It**

At the end of the action-packed programme the winnings will be counted. The team with the most money will be declared the winners, with each member of the winning team presented with a priceless “gold” medal!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
