# About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, **KDM Events** have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

- Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.
- These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.
- We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Come straight to the end provider

# Rags to Riches Team Building Event

---

Light-hearted and great fun, the stakes are high as teams bet fun money (or points) on themselves in a series of team games!

## 'Rags to Riches' is the ultimate fast-moving team competition

---

The event follows a series of head to head games with teams successively competing against each other. Strategically gambling their wads of complimentary fun money, the pressure is on to beat the opposition and build a bigger bankroll.

As the rounds end, teams face the highs and lows of wealth or ruin as they see their fortunes ebb and flow. Passions run high as the competition builds to a nail-biting climax with shrewd gamblers looking to consolidate their winnings and desperate teams risking every pound in the hope of a last gasp jackpot.

## How It Works...

---

Guests will be divided into an even number of teams between 4 and 6 guests. Each team will compete head to head against all teams in a selection of quick-fire games chosen to suit the room/group size. We also manage the team rotation, competition and all scoring.

When the final round is finished and room hushed in expectation, teams count their cash under the watchful eye of our MC... before winners make their way to the front for the noisy victory presentation!

- 17 great games to choose from like Table Football, Air Hockey, Batak, Neuron Racer and many more
- A fast moving and great fun team competition
- Fun money can be replaced with a points system if preferred

# How to book

---

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our utmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do [contact us](#) for any queries that we can help with.
