About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Rags to Riches Outdoor Team Building Event

Rags to Riches is a fast-paced outdoor team building activity designed to get colleagues communicating, competing and working together in the fresh air. This energetic inter-team challenge combines strategy, decision-making and light-hearted competition as teams gamble their way towards becoming the ultimate winners.

Each round gives teams the chance to win or lose a fortune through a series of fun head-to-head challenges. Participants must decide when to play it safe and when to take a risk, using their pretend money to outsmart the opposition and build the biggest pot. This team build works well for groups looking for a lively team building event that encourages collaboration, communication and friendly rivalry.

Rags to Riches delivers a memorable experience that brings teams together and keeps everyone engaged from start to finish.

Beat the Opposition and Build a Bigger Bankroll

When the final round of this outdoor team building activity is complete, teams count their cash under the watchful eye of the Master of Ceremonies. Amid the cheers and friendly jeers of their fellow contestants, the winning team makes its way to the front for a lively victory presentation.

These outdoor team building games require thought, skill and quick decision-making, but the real focus is on strategy, teamwork and fun. Every challenge encourages colleagues to communicate clearly, support each other and work together to achieve the best result.

Each member of the team will need to work together, using their individual strengths and talents to help their group succeed. Guests are divided into an even number of teams, usually made up of five to eight people, and we select the most suitable outdoor team building challenges from the available games to match the size and style of the group.

How It Works...

Your guests will be divided into an even number of teams comprising between five and eight guests and we will select games from the following to suit the group size.

Table Football: A frantic game of table-top football with a bonus for the victors and nothing for the losers. Should there be a draw at full time the winner is decided with a golden goal or your money back.

Basketball Shoot Out: The pressure is on as each team seeks to shoot as many baskets as possible in a head-to-head race against the clock!

Giant Bar Skittles: A simple yet tricky game as each team member seeks to knock down as many pins as possible.

Quoits: A traditional game played on a decorative backboard with accuracy and a light touch needed to throw the hoops onto the pegs.

Golf Chipping: Do you have the golfing prowess to chip your Teams way to success?

Lawn Darts: The traditional game with a twist with teams vying to 'go round the clock' in the fastest possible time or outscore an opponent.

Cornhole: Using your accuracy and throwing skills, the aim of the game is to land the bags either on the board or through one of the holes for maximum points!

Giant Connect 4: Strategy and skill combine where players must get four of the discs in either a horizontal, vertical or diagonal line.

Coconut Shy: Big ones, small ones, some as big as your head... Try your luck and give it your best shot as we transport you back to the palm fringed beaches of the Caribbean.

At the end of the action-packed programme the winnings will be counted. The team with the most money will be declared the winners!

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
