About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

Established in 1990

Voted the UK's "Best Event Provider"

Meetings, conferences and road shows

Team Building, theming and entertainment

We always deliver memorable events

Rollercoaster Team Building Event

With the whole group working together collaboratively, all the ups and downs of their collectively designed rollercoaster won't be a white knuckle ride but more of a shared journey from start to finish.

Work Together to design the next Big Dipper

Challenge your guests in a constructive, creative and interactive session. Logic, planning and, most of all, team work are key as teams design and build a rollercoaster that will allow a ball to travel the lengths of the track unassisted. Groups will work on their own section of the track but as the event progresses they will see that they need to work together to complete the challenge.

Designed to encourage guests to communicate and interact in a fun environment, Rollercoaster works well as an icebreaker or conference breakout session.

How it works...

Split into smaller groups the task is to work out how to use the materials provided.

Then it is time to build the track but the groups must communicate effectively with each other to ensure their section matches up with the one connecting but will they realise this in time?

The track is tested to see if the whole group has successfully completed the challenge.

Will the ball successfully travel from one end of the roller coaster to the other first time?

- Guests will feel fully invigorated, making this a memorable addition to any conference.
- Good for the more budget conscious events.
- Great get everyone working together.

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
