About KDM Events

Launched in 1990 to tap into the burgeoning Corporate Events market, KDM Events have evolved considerably over the past 3 decades in business – from humble beginnings when events solely consisted of driving vehicles around a muddy field, to the all encompassing event management company that we are today.

Catering for groups numbering from half a dozen to several hundred or thousand, we offer the full range of event services – which could be as straight-forward as just finding a venue for a meeting or providing a stand of archery for a small group, to as complex as a fully managed conference for large numbers where we source the venue, provide the AV, suggest speakers, assist with registration & rooming lists, provide theming & entertainment for the evening... the list goes on!

• Unrivalled reputation in the industry, for quality, service and dependability – which has been earned over the past 30 years and counting.

• These aren't just empty words, but are backed up by our Gold Award for "Best Event Provider" at the prestigious M&IT Awards in 2017, 2018, 2019 and 2020 – these awards are voted for only by clients and members of the events industry.

• We are highly professional, passionate, friendly and do not make empty promises – our goal is to always over-deliver, by using our experience and expertise to shoulder the stresses in delivering a memorable event for you.

The Royal Heist Team Building Event

URGENTLY NEEDED: Consulting detectives with skills worthy of Sherlock Holmes to assist in recovering some stolen valuables!

The first task is to work out just how to get into the locked box that each team is provided with!

Once that is cracked your Event Manager will brief the teams on their urgent mission for the day and send them on their way to solve their own real life crime case like Sherlock Holmes...in 'The Royal Heist'.

Work Together To Recover The Crown Jewels

Intelligence from Scotland Yard has revealed that the thieves have hidden these Royal valuables with the intention of selling them on the black market – we need to recover them and fast.

Divided into teams, the first task is for teams to demonstrate their skills by cracking a code to gain entry to their secure lock box where the cryptic clue trail to the stolen goods begins. Included in the case are all the team's detecting tools (GPS tablet, finger printing kit etc) required to bring this sorry saga to a happy conclusion.

How It Works...

Using a local map, each team must follow clues to specific sites in the local area. Each location holds further fiendish questions requiring a little exploration and footwork. In addition each teams' GPS tablet will alert them to hidden challenges along the way which help them to piece together the identity of the thieves and the location of the Royal rarities.

Back at H.Q. each team views CCTV footage of the heist for further clues and testing of their observational skills! In a finale reveal teams will see the Scotland Yard team attempt to recover and return the jewels to a grateful monarch!

- Briefing packs with clues questions and maps
- GPS tablets revealing hidden clues along the route
- Detective sleuthing kits for evidence gathering

How to book

The booking process is very straight-forward – the basic details that we need to know are the date, venue, number of guests and your chosen event or activity – and we are then able to issue a contract for you to complete your booking.

Once this contract has been returned this confirms the booking of your event, we then issue an invoice for a 25% deposit with the balance due 7 days prior to the event date.

We try our upmost to be flexible when the need arises, so preferential payment terms can be considered and are available for clients that we work with on an agreed Preferred Supplier basis – this also gives the option to consolidate your invoices, by payment of any venue costs also through KDM Events.

The option of payment via credit card is also available should this be easier for you, although a surcharge of 3% applies for payment made via corporate credit cards.

We always greatly prefer to speak with you before an event so that we can get a clear picture of your aims and objectives... so please do contact us for any queries that we can help with.
